d. The appropriate course of action with respect to Gen. Oblig. L. § 15-108.

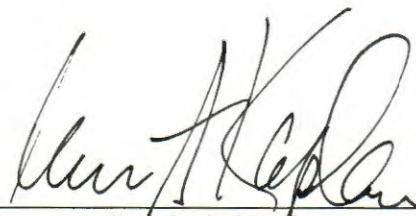

e. Whether any prejudgment interest should be computed from a single reasonable intermediate date, as provided in N.Y. CPLR § 5001(a), and if so what that date should be. The parties are encouraged to agree upon such a date if possible.

f. The status of the settlement papers in the Klugman settlement.

The Court understands that defendants have asserted that they are unable to pay amounts in any such range, but that assertion remains untested. In any event, the Court must understand the judgments proposed to be entered.

SO ORDERED.
